

A-LINK[®]

BLUEUSB21 BLUETOOTH 2.1 + EDR

Product specification :

- Bluetooth standards :
 - Bluetooth 2.1 + EDR
- Data transfer rate :
 - max 3 Mb
- Working distance :
 - 10m
- Hardware features :
 - USB spec 1.1/2.0 compatible
 - Active and Power led indicator
 - Built-in PCB printing antenna
 - Frequency bandwidth : 2.4~2.4835 GHz
 - Power Supply Voltage : 5.0 (via USB Port)
 - Power Consumption 30mA (idle) ~ 60mA (max)
 - RF Output Power: CLASS 2+
 - Sensitivity (0.1% BER) <-82 dBm
 - Operating Temperature : -10 ~ +60 C
- Compatible hardware / application :
 - Desktop PC
 - Notebook PC
 - Panel PC
 - PDA, Handheld computers
 - Mobile phones (with Bluetooth support)
 - Earphone / IP-telephone calls
 - Printers
 - Digital Camera
 - And many other bluetooth devices

• Security :

- Pairing
- Encrypting
- Authentication

• Software specification :

- Protocol Stack : Bluetooth 2.1 specification

Profiles available :

- Fax
- Dial Up -LAN
- Serial Port
- Voice (audio gateway)
- Headset
- Handsfree
- High quality audio
- A2DP
- AVCTP
- AVRCP
- GAVDP
- PIM item transfer
- PIM Sync.
- File Transfer
- Network Access
- HID

• Operating systems support :

- Windows XP, Vista, Windows 7, Linux

• Safety :

- CE, FCC, WEEE, RoHS

• Retail package contains :

- Bluetooth USB adapter
- Driver and application software CD
- Installation guides

• Product weight info :

- Export carton 150 pcs

• Ean / Order code :

- 64 18949 030127
